

The 10 Mistakes Checklist

Keep it near your worm bin to keep your worms healthy and happy.

10 Mistakes Checklist

10 Mistakes To Avoid

Bonus FREE checklist

- ☐ Is there too much food in my bin?
- ☐ Is my bin overly wet?
- ☐ Is there enough airflow in my bin?
- ☐ Do I REALLY need to see and touch the worms today?
- ☐ Is there bedding left?
- ☐ Are my feed and bedding stuff that are free/waste products?
- ☐ If I blended or over-prepped food, did I NEED to?
- ☐ Are the other creatures in my bin REALLY a big deal?
Likely not.
- ☐ Am I saving up food for the worms unnecessarily?
- ☐ I will investigate any offers of easy money with worms.
